

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

IN MISERY FOR YEARS

Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.

Onkalosa, Iowa.—"For years I was simply in misery from a weakness and

awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."

—Mrs. LIZZIE COURTNEY, 108 8th Ave., West, Onkalosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

WESTERLY

There is unusually high death rate in Westerly from influenza and its resultant pneumonia. Up to Saturday morning thirty-eight deaths had occurred in the town and adjacent Pawtucket, and fourteen residents of these cases died of the disease elsewhere. Since those previously reported, and included in the figures given, are the following which occurred Friday night:

Harry W. Davison, 33, of Summer street, son of Mr. and Mrs. George Davison, who was associated with his father and brother in the Federal Keltling company, with mill in Canal street. Besides his parents, brother and sister he leaves a widow, who was Miss Capron.

He was born in Niantic, Conn., April 1886, and came to Pawtucket with his parents when two years old. He attended St. Michael's Parochial school and the West Broad street high school. He was graduated from the Baltimore College of Dental Surgery, in 1908, and soon thereafter commenced the practice of dentistry in Westerly. He was married June 25, 1916 to Miss Sarah Leahy, daughter of Putnam Joseph Leahy of Stonington. Besides his wife and parents, he leaves three brothers, Joseph and Frederick of Pawtucket, and Charles Crowley, of Los Angeles, California.

Dr. Crowley was a member of the local lodge of Elks, Narragansett Council, Knights of Columbus, the Holy Name Society, a police fraternal society of the Baltimore College of Dental Surgery, and the Rhode Island Dental association.

Other deaths from pneumonia in Westerly, not heretofore recorded, were:

Mary Clara Palmer, 3, daughter of Mr. and Mrs. Earl Lewis Palmer, of John street.

Mrs. Harry Solovitzky, wife of Harry Solovitzky, 5 Canal street. Her husband and a child were taken to the emergency hospital.

Rooke, of Providence, president; Miss Mary E. O'Neil, of Providence, corresponding secretary; Mrs. James O. Babcock, of Westerly, recording secretary. The membership was announced as 217, a gain of 107 during the year; \$500 dues, subscribed to the Third Liberty loan and fifteen French orphans had been adopted. The receipts were \$5,532.18, with a balance of \$31.12.

Mrs. George S. Perry, superintendent of the medal contest, department, unfurled a service flag bearing one gold star and fifteen blue stars, representing the boys who entered the service and who at different times have spoken or sung for the medals awarded by the department. The gold star represented Sergeant Leroy W. Waller, killed in action on March 11, 1918, the first Rhode Island soldier to give his life for his country.

War and alcohol posters, designed by pupils of the high schools and seventh and eighth grades, furnished an interesting display and was explained by Miss E. Carol Hodge, superintendent of scientific temperance instruction. The prizes, consisting of thrift stamps, for the best designs, were awarded to Isabelle Swartz, of Woonsocket, and James Walte, of Bradford.

The Rhode Island State Guard has been ordered to participate in the Victory parade to be held in Providence, Sunday, Oct. 13, and will have precedence over any other organization in the big parade. No member will be excused except on account of illness.

The fourth company, Westerly, hopes to parade with full ranks. No white collars and cuffs will be worn.

John William Holdsworth, who died from pneumonia, in the Newport Naval hospital, will have naval honors in the family plot at River Bend, Saturday morning. After services at the home of the young soldier's parents, Mr. and Mrs. Fred Holdsworth of Lester street, the body was escorted to River Bend, by a firing squad of eight sailors, with warrant officer and bugler, six uniformed bearers, and eight other friends in the naval service. At the grave the regulation volley was fired and the bugler sounded taps. The services at the home and at the grave were conducted by Rev. W. Williams.

The body of Harry Sutcliffe, who died in the naval hospital, at Newport was brought to the home of the boy's parents, Mr. and Mrs. Harry Sutcliffe, in Courtland street, where services were held Sunday afternoon. Burial will be in Pittsburg, Mass.

The saloons were ordered closed in Pawtucket, but in some instances bottled goods were sold by the side-window route.

STONINGTON

While there is the usual interest in the town election, several of them are looking to the selection and other town officers, there is special interest as to whether the majority of the voters of Stonington will vote for the retention of William A. Wilcox on the school committee, or for his opponent, Mrs. Clara M. Hall, whose name is on the democratic ticket. It is the first time the democrats have attempted to place a woman in an elective office.

Henry A. Stahle was chairman and Dr. James H. Weeks clerk of the republican caucus which nominated these delegates to the senatorial convention for the Shoshone district, to nominate a candidate against James A. Hammond, democrat; Eli Ciedhill of Mystic, George H. Robinson of the borough, Henry A. Stahle and William A. Wilcox of Pawtucket.

JEWETT CITY

Mrs. Eleanor Vosburgh Alling, wife of Myron W. Alling, died Saturday morning after an illness of two weeks.

She was born in West Haven, the daughter of Mr. and Mrs. R. W. Vosburgh. She received her education in West Haven, where she was graduated from the high school.

For ten years Mr. and Mrs. Alling lived in Norwich, coming four years ago to Jewett City, where Mr. Alling is dyer for the Aspinok company.

Both Mr. and Mrs. Alling are members of the Congregational church. Seldom does a family come into a church and with a family of small children become so regular in attendance and so ready to help in any department of church work.

Mrs. Alling was a member of the Ladies' society and the leader of Dorcas circle of the King's Daughters. She was a most devoted wife and mother, yet no call for any assistance outside her family went unheeded. She possessed an unusually conscientious and sympathetic nature. Her death is a great blow not only to her family but to the church and community. She is survived by her husband and four children: Gwendolyn E. Karthe was Roar T. and Eleanor M. Alling, the last named only 15 months old. She also leaves her father and mother in West Haven.

Rev. J. W. Payne received a telegram Saturday notifying him that Bugler Wallace H. Payne, Co. B, 30th infantry, was severely wounded in action about Sept. 2. Mr. Payne had received word two weeks ago in a letter from his son that he was in a hospital suffering from the effects of being gassed. Evidently the injury was to his eyes.

Sunday was a quiet day in the borough, with a cloudy sky and occasional showers. No one was found who could name the date when the churches had been closed on account of an epidemic. Low masses were said at St. Mary's church, which was the only public meeting of any sort. Few people stirred abroad; it was a thorough home day. The state road was practically deserted except for the passing of a big Goodyear truck from Akron and a procession of nine big empty

freighters from Rail River bound home from the south. The doctors were kept busy all day; several of them are making from 50 to 70 calls every 24 hours. The day was brightened a bit by the visit of a dozen jackies from the naval base, all transients in town, who came up to look the burg over.

Mr. and Mrs. Xavier Cyr received word from their son George, who is in the navy, that he was seriously ill in St. Mary's hospital, Brooklyn, N. Y., with Spanish influenza which turned out to be pneumonia. Miss Celia and Arthur Cyr and Miss Eva Hechard went to see him Friday. He is recovering steadily but had a very narrow escape, with his kind nurse and the very good care he is having, he expects to be well soon. They also received word from their other son Napoleon, that he has just left for France.

Charles Grenier is seriously ill as the result of Spanish influenza.

Tyler Richards of Boston is seriously ill in that city. He has two sisters whose homes are here, Mrs. W. O. Poole and Mrs. Mabel C. Williams.

Portuguese residents are beginning to present American and Portuguese flags to the borough Sunday, Oct. 20. The exercises will be held in Cannon square.

Hardly a town in the state has had as many influenza cases in comparison with its population as Griswold, nearly 300, but with so remarkably low death rate. Sunday night there was no case in town that was thought to be beyond the physicians' skill.

Jewett City considers itself unusually fortunate regarding its men in France.

James Duggan, Wallace H. Payne and Fred Randall have been so reported and in each case since entering the hospital these men have so far recovered from the first shocks so as to be able to write or dictate to nurses favorable and cheering messages to friends and relatives in the home town. In each case these letters have been received ahead of the government telegrams. This fact has saved much apprehension and anxiety at home.

Charles H. H. Jennings of the district committee announces that the schools of the town will not open to school on account of the continuance of the epidemic. Today it will be determined whether they will be closed for the remainder of the week.

The polls will be open today from 9 a. m. until 2 p. m. Besides an interesting contest regarding the men in France, Griswold will vote upon an important school question to see if the town will take steps to change the district system to town management. There are in the neighborhood of 1,600 towns in New England. In all but 12 the town schools are managed by the town system. Of the 12 all are in Connecticut and one is the town of Griswold. In order that this question may be acted upon in this town in 1919 it must be decided today. The ballot box will be marked Consolidation of Districts. The ballots will be marked Yes and No. The question to be decided is to determine by ballot whether the town will abolish all the school districts and parts of school districts within its limits and assume and maintain control of the public schools therein. Women voters may cast their ballot on this question.

Notes.

Undertaker Hourigan was in charge of the burial of Helen, the daughter
